

2003A Bond

State Street Underpass Improvements \$200,000

PROJECT DESCRIPTION:

This project will make a number of pedestrian-oriented safety improvements to the State Street underpass at the 101 freeway: enhanced lighting for pedestrian safety (recently completed) and graffiti-resistant clear coating on the underpass walls to eliminate the need for painting over graffiti.

PROJECT MANAGER:

Brian Bosse,
Redevelopment Supervisor

NOTES:

The current account balance is approximately \$200,000.
